Ref. Project: 2023-1-IT02-KA122-ADU-000134240 - Notification of project publication

Dear Alessandra RIVA,

We kindly inform you that for ensuring transparency and visibility of EU funding, your project "**CPIAce dire la nostra! Ascoltare, Imparare, Comunicare**" is now online on the Erasmus+ Project Results Platform.

A description of your project, where applicable, has been published online at the following address: Project Card

You can start uploading on the Erasmus+ Project Results Platform additional information (website, logo, project results) about your project in the Beneficiary's dashboard or the new platform Erasmus+ and European Solidarity Corps Projects (EESCP*). To access the results section, please click on the search results and scroll down to display the results section. This helpdesk does not handle technical questions related to the EESCP, please refer to the EESCP support section.

You are encouraged to make the project website visible on the platform as soon as it is available, as it enhances the project's visibility.

You can connect using your EU Login account.

Ensure that your EU Login account is associated to alessandra.riva@cpia.edu.it e-mail address.

If you do not have an EU Login account associated to the above mentioned e-mail address, you can create one following the instructions available on the EU Login page.

You can also manage the contact details of your organisation and of your project partners - which are currently hidden by default. Displaying the contacts details will add visibility to your project, your organisation and your project partners, helping other interested organisations to contact you for cooperation and/or future projects.

You should keep in mind that you will be able to submit your project results (i.e. outputs) for review by your project officer and publication only when the end date of your project has been reached. In the meantime, you can upload and modify your project results, but they will become publicly available only after the validation of your final report.

Kind regards,

The Erasmus+ Project Results Platform

*The **Erasmus+ and European Solidarity Corps platform (EESCP)** is the single entry point to the Erasmus+ and European Solidarity Corps programmes for the Multiannual Financial Framework 2021-2027. It enables applicants and beneficiaries to:*

- ***Register their organisation** for participation in Erasmus+ or European Solidarity Corps decentralised actions,*
- ***Submit applications** for grants and/or accreditation for decentralised actions,*
- ***And manage ongoing projects***

The page is accessible even if you do not yet have an EU Login account, however most of the actions you can perform as an applicant or awarded beneficiary require signing in. Applicants/Beneficiaries/Experts can find more information available in Erasmus+ and European Solidarity Corps guides.

This is an automatic email. Please do not reply to this email, unless your question is about a technical problem with the Project Results Platform. In case you have questions for the project officer at the National Agency / Executive Agency, we advise you to send your reply directly to the project officer.
